Dear Paul:

According to the records, Mr. Rosenberg was removed as a Scout Leader in his unit by the Chartered Organization Representative following a meeting with parents of youth members. To my knowledge his membership in the Boy Scouts of America was not suspended. The council did remove his name from the unit roster as the active Unit Leader and Registration Service was notified. His registration has since expired and we do not know Mr. Rosenberg's whereabouts.

I am not aware of the details of why he was dismissed as Unit Leader. This matter was handled by Brad Nesheim who was serving as Director of Field Service at the time of the report. No action was taken by the council concerning a suspension of his membership.

Please advise me if there is any further action necessary.

Sincerely,

Archie R. Crain
Scout Executive

Dear Jim:

On July 13, you wrote to Archie Crain related to this individual. On July 23, I sent you a copy of this file.

We have not heard from Archie since that time. I still do not know what Mr. Rosenberg really did. If you have this information, we certainly would like to have it, so we can substantiate refusal in any location. At the present time, I do not have any indication as to why he was suspended from the Scout unit.

Thanks for your help.

Sincerely,

Paul Ernst, Director

Dear Archie:

In March 1990, we received information from you concerning the above named individual. At that time, it was indicated that the units with which Mr. Rosenberg was associated removed him from registration. The unit number was 1513.

I am enclosing an Ineligible Volunteer Record Sheet which I would like to have completed, if Mr. Rosenberg should be placed on the Ineligible File. Please complete this with as much information as you have available.

We would also like to have more information concerning why he was suspended. This is most important if we are to have file which will lead to refusal of registration anywhere in the country.

Thanks for you help in completing this file.

Sincerely,

Paul Ernst, Director

Dear Brad:

I hate to bother you again, but I have not heard from you since I wrote on March 19, asking for an Ineligible Volunteer Record Sheet on the above named individual. I am enclosing another one for your use, if Mr. Rosenberg did something to prevent his registration with the Boy Scouts of America.

Please give us more information concerning why this individual was removed. We must have this so we can close this file by either placing him on the Ineligible Volunteer File or cancelling our correspondence.

Thanks for your help in this matter.

Dear Brad:

Thank you for your letter of March 9, concerning the above named individual. It sounds as if he had caused some real relationship problems before he was dismissed by the unit.

I am enclosing an Ineligible Volunteer Record Sheet which I would like to have completed, if Mr. Rosenberg did something that would prevent his registration anywhere in the council or in the country. Please complete this with as much information as you have available, if we should go that direction.

We would, also, like to know if you could get statements from the Cubmaster or Committee Chairman related to these complaints. Perhaps, someone would be willing to write up a narrative statement of what occurred that caused this action.

Thanks for your help in having a complete file, so that we know whether registration should be refused on a permanent basis.

Sincerely,

Paul Ernst, Director

Dear Paul:

I received a copy of the attached letter today from our District Executive in the South Fulton District.

We have removed this man from our registration records.

I do not know the specifics of this man's removal, only that the parents of the Scouts were most concerned about his recent behavior.

Thank you.

CONF018794

MARCH 7, 1990

Dear Parents,

By now each of you should have been contacted by myself or Mr. Mitchell, notifying you that Mr. Irvin Rosenberg is no longer affiliated with Pack/Troop 1513.

Under B.S.A bylaws you (the parent) must be notified by phone or letter, whenever an adult leader is dismissed from duties in your scouts unit. Therefore, any outings that your son conducts with Mr. Rosenberg, is that of your consent, none having to do with Pack/Troop 1513, South Fulton BSA District or The Atlanta Area Council.

For more information you can contact D'Avante Parks at

Dear Mr. Rosenberg,

I regret due to parent and scout complaints your registration with Pack/Troop 1513 will be pulled. Thus, you must resign from any positions and duties that you may have with this unit.

Parents of scouts called a meeting with D'Avante Parks (cubmaster) and Mark Pendergast (South Fulton District Executive), to voice their complaints. The Boy Scouts of America bylaws implies that each scoutmaster maintains a positive relationship with both the scouts and their parents. It is apparent that this relationship has not been established. In the interest of both parties, it was decided that you must dissolve any involvement with the unit at this time.

If you have any questions please contact D'Avante Parks [REDACTED] or Mark Pendergast [REDACTED].

Regretfully Yours,

D'Avante Parks
Cubmaster
